

Basic Detail Report

Title Bulkeley High School

Date 1920-1929

Primary Maker John J. McMahon

Medium Drawings, blueprint; pencil on paper, cyanotype on paper

Description Drawings include plans for plot, gymnasium, basement, first floor, second floor, third floor, and elevations of Maple Avenue facade. Also, a cross section and notes featuring calculations and sketches. Plan includes auditorium, stage, physician, biology room, chemistry room, book storage, boys' lunch room, girls' lunch room, cooking room and sewing room. Elevation shows a building with a three-bay entrance and seven-bay wings with crow step roof. There are double hung sash windows with pointed arch lintels, while the central, double hung sash windows feature trifoliate tracery. Quoins flank the windows, while Tudor arches make the porch on entrance.

Dimensions Sheet (height x width): 26 x 39 1/2in. (66 x 100.3cm)
