

Basic Detail Report

Title Breakwater Light from Seaside Park, Bridgeport, Conn.

Date 1915-1930

Primary Maker C.T. American Art

Medium Photomechanical prints; colored printer's inks on postcard

Description Flowers grow in a small circular garden surrounded by a grassy lawn in the foreground. A road encircles the garden. Two elm trees, a park bench, a pile of cannon balls, a cannon, and the base of a metal tower are on a lawn by the edge of a large body of water. A lighthouse is at the end of a long breakwater in the background.
