## Title Profile and Map of Projected Street, West Winsted

Date 1871

Primary Maker Lewis G. Schrack

Medium Drawing; black, red and blue ink and watercolor on wove paper

Description Map of West Winsted, Connecticut, depicting the outline and profile of Boyd Street, a new road. To the north is John Street; the east, Meadow Street; the south, Long Lake; and the west, the road to Winchester Centre. The Connecticut Western Railroad runs north-south, parallel to Meadow Street. Buildings are depicted as black rectangles, and only some of them are labeled: the boat shop, the ice house, Empire Knife Company, Beardsley Scythe's factory and office, W.M. Company's grinding shop, a building owned or occupied by T. Hulbert, the Red Hoe Shop and the Winsted Hoe Company. The name S.A. Hubbard also appears on the map near the projected street.
