Basic Detail Report

Description Map of the United States and Canada, from Upper and Lower

Canada to the north; the Atlantic Ocean to the east; Louisiana, Mississippi and

Georgia to the south, and Louisiana to the west. State, territory and country

boundary lines are outlined in color. Smaller land divisions include districts,

counties and towns, ranges, purchases and divisions. Roads are included.

Natural features consist of mountain ranges, drawn in relief; lakes; bays; rivers;

waterfalls; and islands. Lands inhabited or hunted on by Native Americans are

also labeled. The Missouri, St. Lawrence and Mississippi Rivers are all labeled

with a brief, descriptive paragraph. The decorative cartouche features Niagara

Falls complete with rainbow and mist, and two Native Americans, one with a

weapon, on the rocky ledge overlooking the falls. Below the cartouche is a

description of Niagara Falls. To the left of the map is a text block titled,

"Remnants of Antiquity," which describes monuments found in Ohio and

Indiana Territory.
