

Basic Detail Report

Title Stained Glass Window

Date 1903

Primary Maker Louis Comfort Tiffany

Medium Glass, wood, metal

Description Fan-shaped glass window in wood framing. From the bottom center out to the edges the fan has wavy symmetrical designs. The colors are purple, blue, yellow, brown, wavy greens and some bronze. The frame has three metal re-enforcements extending from the top of the wood to the bottom, with wires periodically attached to the dividers for the glass.

Dimensions Primary Dimensions (height x width at widest point): 33 5/16 x 67 1/2in. (84.7 x 171.5cm)
