## Title Nativity Creche

Date 20th century

Medium Wood, plaster of Paris, dried vegetation, tree bark, metal

Description Wooden nativity creche with rectangular base and triangular roof.

Creche is held together by small rusted nails covered with dried vegetation; front trim is made of tree bark. There are five figures attached within the scene on green bases; Joseph on the left with grey hair, a lavender gown and brown robe; Mary on the right, wearing a coral gown and sky blue robe; Infant Jesus in a yellow and brown cradle in the center; a grey donkey laying down in the left background, and a tan ox laying down in the right background. Back of creche has a circular hole towards the peak and at the bottom, stamped diagonally, in black, "MADE IN ITALY".
