Title Fireplace Wall in Living Room in Morris Joseloff House, West Hartford

Date 1930

Primary Maker Unknown

Medium Photography; gelatin silver print on paper on cardboard mount

Description Framed portraits hang on the paneled walls of the living room of a large house. Small ceramic statuettes, probably Chinese, are on the mantle above the marble fireplace, which features two large ornate andirons. Two end tables and two upholstered armchairs flank the fireplace. An additional small table with what appears to be an inlaid base is beside one of the chairs. An electric chandelier hangs from the ceiling. A large oriental rug is on the floor.
