

Basic Detail Report

Title Map Showing the Lines of Canals and Rail Roads Owned, Leased and Operated by the Delaware and Hudson Rail Road Company, with their Connections.

Date 1873

Primary Maker Weed, Parsons & Co.

Medium Lithography; black printer's ink and color on wove paper

Description Map of the northeastern United States and part of Canada, showing the lines of the Delaware and Hudson Canal and Railroad Company. Only part of

Basic Detail Report

New England is included, with Connecticut and Vermont and parts of

Massachusetts and New Hampshire appearing on the map. The different canal

and railroad lines are explained in the Explanation List at the bottom right. The

lines are also color-coded, although the color appears to have been applied

incorrectly to the map. There are several lines that have been colored yellow

that should actually have been green, and most of the lines are not colored at all.

Dimensions Primary Dimensions (image height x width): 30 x 28 1/4in. (76.2 x 71.8

cm) Sheet (height x width): 31 1/2 x 29 5/8in. (80 x 75.2cm)
