

# Basic Detail Report

## Title Views of West Winsted and Vicinity

Date 1870-1890

Primary Maker K. T. Sheldon

Medium Photography; albumen prints on paper on cardboard mounts

Description Views depict Winsted and West Winsted and other sites in Litchfield County. Identified subjects include Prospect Street looking east, a view from Camp's Hill, a view of commercial buildings on Main Street, and a view of the Silk Mill (in West Winsted) from Lake Street. Other subjects include a parade, unidentified houses, ponds, and rivers. One photograph appears to depict the aftermath of the Wallingford Tornado. Part of the John S. Craig Collection.
