Title Views of West Winsted

Date 1860-1890

Primary Maker F. M. Doolittle

Medium Photography; albumen prints on paper on cardboard mounts

Description Most views are probably of West Winsted or Winsted, though one photograph appears to depict the aftermath of the Wallingford tornado.

Subjects include firemen posing with a hose reel, a dam, apparently a mill dam, in winter, a street scene, a flooded street and river, and a large sleigh drawn by four horses. A large brick commercial building is identified as "Camp's Block, West Winsted." Snow is on the ground in some pictures. Signs read: "G. N. Gibbs / Hair Dresser" and "W. Kirk / Jeweler." Part of the John S. Craig Collection.
