Title View from the Back Porch on the Third Floor of a Tenement

Building

Date 1916-1927

Primary Maker William G. Dudley

Medium Photography; gelatin emulsion on glass

Description A large trunk is on the back porch on the third floor of a multiple-family dwelling. Additional multi-family housing and a small frame building, apparently a store, are on the other side of the street, which is lined with leafy trees and sidewalks. One of the trees appears to be a chestnut. Utility wires cross above the street.
