

Basic Detail Report

Title Commercial Building under Construction

Date 1916-1927

Primary Maker William G. Dudley

Medium Photography; gelatin emulsion on glass

Description A large two-story brick building is under construction. The photo is taken from ground level inside the building. The ground floor has not yet been floored. Various construction materials and equipment are visible on the ground. Structural steel beams which will become the support for the second floor are visible above. The exterior walls of the building and the ceiling above are also visible.

Dimensions Plate (height x width): 8 x 10in. (20.3 x 25.4cm)
