## Title River and Riverfront

Date 1916-1927

Primary Maker William G. Dudley

Medium Photography; gelatin emulsion on glass

Description This photograph overlooks a river or estuary with buildings of a city or town visible along the water in the background. Among these buildings are what appear to be industrial buildings, some with high smokestacks. A building crane is visible in the left background. Closer to the foreground is a road that runs along the closest bank of the river. People are visible on a sidewalk next to this road, and a park area overlooking the river is also visible.
