

Basic Detail Report

Title Interstate 95 Thames River bridges and approaches, New London to Groton

Date 1964

Primary Maker James W. Sewell Company

Medium Blueprints; cyanotype on wove paper

Description Map of portions of Groton and New London, Connecticut, the Thames River, and New London Harbor. Streets and buildings are shown with names and natures of businesses and commercial structures. The United States Coast Guard Academy and the Winthrop Urban Renewal Area are identified. The locations of "historic sites" (Greek revival house) are indicated. Elevation is indicated by contour intervals. Existing Gold Star Memorial Bridge and railroad bridge are shown. Preliminary designs for new highway bridge and entrance and exit ramps are superimposed on map.

Dimensions Primary Dimensions (image height x width): 35 x 68 3/4in. (88.9 x 174.6cm) Sheet (height x width): 36 1/2 x 70 3/4in. (92.7 x 179.7cm)
