

Basic Detail Report

Title Map Showing Location of Reservoirs in West Hartford

Date after 1874

Primary Maker Seth E. Marsh

Medium Drawing; black ink on wove paper on fabric

Description Map of a portion of the town of West Hartford showing the location of Reservoirs No. 1, 2, 3, and 5 and surrounding watershed. Names of former property owners and dates when property was acquired by the city of Hartford are shown. Rights of way are shown with names of property owners and dates. Dates range from 1865 to 1880. Other features include the West Hartford Water Works, a waste weir, Mine Brook, Farmington Road (Farmington Avenue), Avon Road, and the former location of a portion of Avon Road. Elevation is shown by hachure marks. A compass rose is at upper right.
