

# Basic Detail Report

## Title Pinar del Rio

Date 1898

Primary Maker Brigadier General George Malpas Cole

Medium Lithography; black and red printer's inks on cotton

Description Map of the western part of the province of Pinar del Rio. Places are marked with their name and a circular symbol. Roads and what appear to be railroads are shown. Physical features include swamps, rivers and islands. Water depth in fathoms is shown around the coastline. Other numbers are shown around on the map, in the areas representing water. In the top left is an inset index map showing all of the maps in the series.

Dimensions Primary Dimensions (image height x width): 23 7/8 x 38 3/4in. (60.6 x 98.4cm) Sheet (height x width): 26 3/4 x 41 3/4in. (67.9 x 106cm)
