## Title Bridge across the Connecticut River at Hartford

Date probably 1908

Primary Maker Unknown

Medium Painting; gouache and black ink on wove paper mounted on cardboard

Description An arched stone bridge spans railroad tracks, a pedestrian promenade, and a broad river. Electric trolley cars, a horse-drawn carriage, and pedestrians are on the bridge. Three railroad trains are on the tracks at the left and another train is crossing a railroad bridge in the background. Smoke issues from factory smokestacks along the river. Trees along the river show autumn foliage. Sailboats, a tugboat towing a barge, and what appears to be a steam yacht are on the river in the foreground.
