## **Basic Detail Report**

## Title Snow on the Great Lawn, Manchester, Connecticut

Date about 1895

Primary Maker Horace Bushnell Cheney Sr.

Medium Photography; gelatin emulsion on glass

Description View down a snow-covered slope towards a flooded stream. Leafless

trees, apparently birch trees, are surrounded by water. Evergreen trees in the

background line a road. The building in the left background may be a church or

school.

Dimensions Primary Dimensions (height x width): 4 x 5in. (10.2 x 12.7cm)
