

Basic Detail Report

Title View from the library of the Horace Bushnell Cheney House, 78

Forest Street, Manchester, Connecticut

Date 1898

Primary Maker Horace Bushnell Cheney Sr.

Medium Photography; gelatin emulsion on glass

Description A potted plant is on a small Queen Anne style desk in the foreground. A second block front desk sits against a wall in the background. Wide doorways on either side afford views of other rooms, including the dining room and what appears to be an entrance hall. Framed pictures are on the walls. Oriental rugs are on the floors.

Dimensions Primary Dimensions (height x width): 5 x 7in. (12.7 x 17.8cm)
