## Title Electrolux Vacuum Clearner

Date 1941-1947

Primary Maker Electrolux Corporation

Medium Chrome-plated, polished and enameled steel, cast aluminum, vinyl and rubber.

Description [Electrolux vacuum cleaner with chrome-plated aluminum and casing and an aluminum casing on the other end. The middle section is an aluminum casing. The vacuum is cylindrical with two long stand bars going down either side. The tin runners on the outside have the Electrolux name stamped out of the aluminum. The vacuum (.a) itself is composed of a modernist design with art deco motifs. The top had a rubber handle attached to two chrome attachments. One attachment has a plastic on/off button for the

vacuum. The opposite end has a round casing with a pull lever that opens up the

vacuum. The other casing is round with an exhaust system. The hose (.b) is

green and is made of rubber surrounded by a synthetic mesh and at its end is

attached to an aluminum tube that had a bend. The vacuum head (.c) is

rectangular with a top that is curved on both sides and in the middle has an area

to attach other parts to the head. The head is attached to an aluminum tube.]

Dimensions Primary Dimensions (length x height x width): 23 1/2 x 8 1/2 x 7 1

/2in. (59.7 x 21.6 x 19.1cm)
