Description Polaroid photographs of New York City, including Times Square; the Statue of Liberty; the Paramount Building; the Plaza Hotel, Hampshire House, Solow Building, Helmsley Park Lane, and other buildings on or near Central Park

Basic Detail Report

South; the Ansonia Hotel; smokestacks from what is probably the Consolidated

Edison (ConEd) plant in Brooklyn, and the Hotel Paramount. The Brooklyn

Bridge with Manhattan behind it is depicted several times, and in one

photograph the World Trade Center towers are visible. The Queensboro Bridge is

also shown. There is one unidentified building with turrets and a tower.
