Title Porter' s Rocks, Groton.

Date 1834

Primary Maker John Warner Barber

Medium Drawing; pencil on paper

Description Sketch of Porter's Rocks, three large rocky outcroppings, on the shore of the Mystic River (not visible in this view). Barber indicates a "Level Meadow" in the foreground with a "stone wall" and "Apple" trees beyond it on the left. On the right a small one-story house, sits on a rise, with additional "Apple trees" and an expanse of "grass" to its left. Additional trees are beyond the Rocks
