

# Basic Detail Report

## Title Collinsville, (West view)

Date 1835

Primary Maker John Warner Barber

Medium Drawing; pencil on paper

Description Rough sketch of Collinsville. The large central building is the Collinsville ax factory. Smaller buildings surround it. Wooded hills and fields are visible in the background. A substantial building with two front doors occupies a rise in the left foreground. Another sketch evidently of the same building is at the lower right.

Dimensions Sheet (height x width): 7 1/16 x 9 7/16in. (18 x 24cm)
