

Basic Detail Report

Title Churches in Huntington.

Date 1835

Primary Maker John Warner Barber

Medium Drawing; pencil on paper

Description View of central part of Huntington. Two churches stand face to face, the "Congregational," church on the left bordered by a "stone wall" and the new "Episcopal" church on the right with a "Board fence." A central street, trees, and dwellings are also evident. The "School House" and "Town House" are also noted. On the top portion of the drawing reference is made to "2 woolen factories" in the area.

Dimensions Primary Dimensions (overall height x width): 6 5/16 x 7 7/8in. (16 x 20cm)
