

# Basic Detail Report

## Title Atwood or Howe Family Portraits

Date early 20th century

Primary Maker Unknown

Medium Photography; gelatin silver prints on paper

Description In one photograph, a man and a woman pose outside a frame house with five children, two girls and three boys. In the other photograph, men, women, and a boy pose outside a frame house, possibly the same house or a different one. All of the people are wearing winter clothing. Some men have mustaches. Most wear bowler hats.
