Title Shore Views, probably in Pine Orchard, Branford, Connecticut

Date early 20th century

Primary Maker Unknown

Medium Photography; gelatin silver prints on paper

Description In one photograph, ice is piled up along the shoreline and there appears to be a thin crust of ice on the water at the right. A long pier or dock extends out into the water. Frame cottages line the distant shore. In a second photograph, a long breakwater extends out into the water. There is ice along the breakwater and snow on the ground in the background.
