

Basic Detail Report

Title School group with A. S. Frost, Cheshire.

Date 1880-1890

Primary Maker Northern Survey Company

Medium Photography; albumen print on paper on cardboard mount

Description Schoolchildren and two women teachers in front of one story double gabled brick Classic Revival building. A porch with Victorian brackets has been enclosed with vertical boards. There are trees in the yard and a rail fence in the background. Class is mixed ages with both boys and girls; some are barefoot. There appears to be two, possibly four, African Americans at the right of the group. One boy, mid first row, has a black eye. Inscription on back: "A. S. Frost" "Cheshire?"

Dimensions Primary Dimensions (overall height x width): 6 5/16 x 8 11/16in. (16 x 22cm)
