

# Basic Detail Report

## **Title H. Elton, Whigville (Burlington)**

Date 1880-1890

Primary Maker Northern Survey Company

Medium Photography; albumen print on paper on cardboard mount

Description Bearded man standing in horse drawn wagon with two barrels.

Behind wagon is one and half story Federal Style clapboard house with small ell to rear. View taken from left side of house shows picket fence along front of property, lined with what may be fruit trees. A low rectangular wooden enclosure is near front right corner of picket fence. Large vertical sided barn to left of photo and behind the house is on land gradually sloping up. Small shed or outhouse adjacent to barn on left. Stone fence in background at top of cleared section of hill. Tall ladder leaning on ell behind main house.

Dimensions Primary Dimensions (overall height x width): 6 5/16 x 8 11/16in. (16 x 22cm)
