## **Title A. Mosier family, Windsor.**

Date 1880-1890

Primary Maker Northern Survey Company

Medium Photography; albumen print on paper on cardboard mount

Description Three women and girl at picket fence in front of clapboard Victorian vernacular cross gable house with Italianate additions. One of the women and the girl wear aprons. House has louvered shutters and corner tower and cupola. Roofline has double brackets. Front and side gable ends have bay windows. Front door is on tower and has large scrolled brackets supporting small porch overhead. Flowering bushes in yard and small trees. Far right are two barns. Left background is large vertical sided barn with louvered cupola. Fence parallels dirt road in front of house and has large posts with large finials on top and shaped pickets. On left of house are posts with wire fence.
