

Basic Detail Report

Title H. L. Elmer family, probably East Windsor

Date 1880-1890

Primary Maker Northern Survey Company

Medium Photography; albumen print on paper on cardboard mount

Description Boy with horse and pregnant woman in print dress at left side of two-story clapboard Federal style house. Bearded man looks out of first-floor window. Brick foundation. Front door has stone steps and wood rack (trellis?) next to house. House has two-story addition at rear with trellis surrounding door and a two-bay barn or shed attached. Inside bays are lumber and grinding wheel. Behind horse appears to be a well.

Dimensions Primary Dimensions (overall height x width): 6 5/16 x 8 11/16in. (16 x 22cm)
