

# Basic Detail Report

## Title Backhoe Loader

Date 1976

Primary Maker Richard Welling

Medium Drawing; black ink and colored markers on paper

Description Drawing of a backhoe loader with the backhoe on the left (rear) and the loader on the right (front) of the machine. The perspective is elevated, giving the viewer a look into the cab, where the steering wheel, gearshift and other controls are visible.

Dimensions Primary Dimensions (image height x width): 13 5/8 x 20 7/8in. (34.6 x 53cm) Sheet (height x width): 13 5/8 x 20 7/8in. (34.6 x 53cm)
