Primary Maker Richard Welling

Medium Serigraphy; black printer's ink on paper

Description Screen print of a drawing of historic buildings in Hartford, Connecticut, probably on Lewis Street or Trumbull Street, with the tops of

# Basic Detail Report

Connecticut National Bank and One Financial Plaza in the background. On the right is a building with a fire escape and on the left is a building with a fence around it and a gate at the end. In the midground there are two low-rise buildings, one of which is constructed partly of stone or irregularly-shaped bricks.

Dimensions Sheet (height x width): 18 x 14in. (45.7 x 35.6cm)
