

Basic Detail Report

Title Hartford Public High School

Date after 1982

Primary Maker Richard Welling

Medium Serigraphy; black printer's ink on paper

Description Screen print after a drawing of Hartford Public High School. The Gothic Revival building is depicted from an angle, with the front and right sides visible. It features two square towers flanking the front entrance, including one with a clock visible on two of its sides; arched and double-hung windows; and several gables and roofs.

Dimensions Sheet (height x width): 11 x 17in. (27.9 x 43.2cm)
