

# Basic Detail Report

## Title Helen & Harry Gray Cancer Center

Date after 1990

Primary Maker Richard Welling

Medium Halftone reproductions; black printer's ink on paper

Description A reproduction of a photograph and a drawing of the Helen & Harry Gray Cancer Center at Hartford Hospital. Both images show the same perspective, which includes the building's name, its front entrance, and part the blocky, modern structure itself. In the photograph, there are automobiles parked in front, and in the drawing, there are people standing outside the entrance.

Dimensions Sheet (height x width): 8 1/2 x 11in. (21.6 x 27.9cm)
