Title Joseph Webb House, Wethersfield, Connecticut

Date 1965-2009

Primary Maker Richard Welling

Medium Drawing; black ink on paper

Description Drawing of the Joseph Webb House in Wethersfield, Connecticut. It is depicted from a slight angle so that the front and part of the right side are visible. It features a porch, gambrel roof, multi-paned windows and a low wooden fence in front of it. There is a large tree in the left foreground that partially obscures the view of the house, and smaller trees directly in front of it on the right.
