

Basic Detail Report

Title Unidentified Construction Site

Date 1986

Primary Maker Richard Welling

Medium Drawing; black ink on paper

Description Drawing of the construction of an unidentified building, with a crane on site. Construction workers are pictured on top of the structure (which in the drawing is only one story high and on the ground next to it. There are other buildings on either side, and a fence around the construction site. The building on the right is named, the only legible word being "Centre." In the foreground on the right are a lamp post and a tree, with other trees depicted on the left.

Dimensions Sheet (height x width): 16 x 22 1/8in. (40.6 x 56.2cm)
