

# Basic Detail Report

**Common Sense Water Pots**  
**FOR POULTRY.**

**THEY ARE THE BEST.**

Because they are made of cast iron and are practically indestructible.  
They do not break from freezing.  
When they do freeze they can be emptied after dipping in a pail of warm water.  
They can either be stood on the floor, or by driving a nail in the wall they can be hung up out of the dirt or litter.

Because little chicks cannot drown in the size made for them.  
Because they are cheapest, last a lifetime without repairs.  
Because "Common Sense" means success to poultry fanciers.

**Capacity, large size 2½ quarts, small size 1 quart.**

**Prices:** Large size—single, 65c.; half doz., \$3.75; 1 doz., \$6.75  
Small size— " 35c.; " \$2.00; " \$3.75
