Between 6:00 p.m. and 7:30 a.m. ... 7 days a week. ... 269 days a year. ... any person with a valid Yale ID card can obtain free transportation on the Yale MINIBUS from Yale buildings to residences, from residences to Yale buildings within the service boundaries. \*\* We do not provide residences to residence service. Spousal passes are available at \$25.00 per academic year or \$35.00 per full year. The SML/SLB and Railroad shuttles do not run during the summer and recess periods.

Due to weather or traffic conditions buses may run a few minutes early or late. It is recommended that all passengers arrive at designated bus stops in advance of scheduled times.

THERE ARE TWO WAYS TO USE THE MINIBUS:

1. **Scheduled Route Pick-Up Stops:** Go to one of the stops listed on the schedule and wait for the next Minibus. \* A bus passes each stop every 15 minutes.
2. **Off route Pick-Ups:** If you cannot safely go to one of the listed stops, call 432-6330. The dispatcher will radio one of the buses to go off route and pick you up. If you require an escort to the nearest pick-up point, the University Security Programs is available from 6:00 p.m. to 2:30 a.m. The number to call is 432-WALK.

Please note: The drivers will not let you board at an unscheduled stop unless instructed by the dispatcher. You must advise first.

\*The Minibus does not run on Thanksgiving Day, Christmas Eve, Christmas Day, New Year's Eve, New Year's Day and July 4th or the day of National Observance.

\*\*See reverse side for a map of the scheduled pickups and off route boundaries.
