

MOLLIMENTUM

A HORSE'S HOOF

May Be

SORE • BRITTLE • SHELLY

But never after a few applications of

MOLLIMENTUM

MOLLIMENTUM, a superior Hoof Dressing, promotes healthy growth of the hoof by stimulating secretion of horn and rapidly producing a firm, tough growth of wall, sole and frog, giving a pliable elastic foot that will resist concussion and diseases consequent upon shoeing and hard work on bad roads. MOLLIMENTUM has no equal for its cure of Hard, Brittle and Shelly feet, Quarter Crack, Grease Heel, Scratches or Thrush.

Quarts — \$2.00 Half Gallons — \$3.50

Gallons — \$6.00
