Basic Detail Report

Medium Photography; black and white photograph on paper and cardstock

Description Three-quarter length studio portrait of Lucy Compton Street as a

young woman. She is standing with her body angled to the right but is looking at
the camera. Lucy is wearing a dress that is buttoned all the way down the front.

There are large, dark ruffles at the cuffs and in a strip that runs up one side of the
front of the dress, around the back of her neck, and down the front on the other
side. Lucy is also wearing a feathered hat and a pair of gloves. Her hands are
folded in front of her and she is holding a small purse. There is a faint outline of a
tree on the backdrop in the background and Lucy is leaning against a small
architectural prop.
