

Basic Detail Report

Title George Bailey, M.D.

Date 1916

Primary Maker James Goodwin McManus

Medium Painting; oil on canvas

Basic Detail Report

Description Profile portrait of George Bailey, M.D., by James Goodwin McManus.

He is depicted in middle age. He is seated, looking up and to the left. He has his hands in his lap and is holding a scroll. He has a mustache but is otherwise clean-shaven. He is wearing a high-collared white shirt and necktie, a black vest and jacket, and brown and black striped pants. The background is a plain dull greenish-gray color.

Dimensions Primary Dimensions (height x width): 38 × 28in. (96.5 × 71.1cm)
