Description View of Alice (possibly Alice Gay Cheney) standing on the brick front porch of a large house. She is wearing an Elizabethan-style dress that is edged with ribbon and has ruffled cuffs at the end of the sleeves. She is wearing a shawl and a long necklace, and has a ruff around her neck. Her hands are on her hips. The double doors to the house are closed behind her. There is a lantern hanging from the potico over the porch. There is a window to the right of the front entrance, and its shutters are open.
