

Basic Detail Report

Title Unidentified Man, Possibly a Cheney

Medium Print: ink on paper in brass mat under glass Case: paper or leather

Description Cased print depicting a head and shoulders length portrait of an unidentified man, possibly a member of the Cheney family. He is wearing a jacket and large cravat. His hair is long and some of it may be pulled back in a ponytail. There are several long curls around his face. The image is housed in a brass mat with a gilt frame in a paper or leather case.

Dimensions Primary Dimensions (case height x width, including ring): 4 1/4 × 3 1/4 in. (10.8 × 8.3cm)
