

Basic Detail Report

Title Woman's Overshoe

Date about 1850-1855

Primary Maker Unknown

Medium Molded rubber over unidentified woven fabric

Description Black rubber overshoe; the rubber coats a woven fabric, inside and out. The toe is square and there is no heel. The throatline is oval and bound with tape, which is also covered with rubber. The vamp is long, measuring five inches. The overshoe is straight--not right or left.

Dimensions Primary Dimensions (height x width x depth): 2 3/4 x 3 x 9 7/8in. (7 x 7.6 x 25.1cm)
