

Basic Detail Report

Title Corset

Date about 1835

Medium Hand-stitched cotton, with bone eyelets

Description White cotton sateen corset, quilted with a fine backstitch in pale gold silk thread with curving vines of flowers, leaves, and grapes. The back laces through bone eyelets. The center front of the corset has a slot for a busk, with eyelets at the bottom for tying to keep the busk in place. The corset is made with 2 3/8-inch shoulder straps.

Dimensions Primary Dimensions (height x width): 17 1/4 x 13in. (43.8 x 33cm)
