

Basic Detail Report

"Colonial Arch." by F.C. Gardner
in vol. "Arch. in the U.S."
123.1 3x2 Metr. M. libr.

Old State H. first public bldg erected
from B's design

(Charles Bulfinch - Architect, City
by Charles A. Place Houghton M. 1925
120 Sects M.)

"Sited in St. Horse Sq, Hantg., on
the plot of land which was a part of
the first purchase made by the
English within the present limits
of Conn., with unobstructed view
across the green to the river at
the east, the structure was a
commanding symbol of a
growing commonwealth.

balustrade added in 1815, the
cupola in 1822 "both doubtless
the throng design." It is stated
that cup. is copied from Beacon
(Old State House, Hantg.)
