

# Basic Detail Report

## Title Tray

Date 1848-1865

Medium Cast coin silver with engraved decoration

Description Cast coin silver tray consisting of a shallow well, curved sides, and a narrow rim. The rim has a band of projecting lobes, each surrounded by an arch and flanked by a narrow projecting line. The center of the tray is engraved with the initials "WG"; this is surrounded by four concentric bands of finely engraved straight and undulating lines. The tray is lightly scratched on the top and on the underside.

Dimensions Primary Dimensions (diameter): 10 1/8in. (25.7cm)
