

Basic Detail Report

Title Additions to Building at Corner of Farmington Avenue and Flower

Street, Hartford, Conn. for Dr. J.H. Naylor

Date 1925

Primary Maker John J. McMahon

Medium Blueprints; cyanotype on paper

Description Designs for a commercial building include basement plan, first plan
plan and roof plan. The basement has concrete floors and footings. The store
itself, located on the first floor, has sheet rock interior walls and brick exterior
walls. The roof is tar, felt, and slag with zinc flashing.

Dimensions Sheet: 28 1/2 x 28in. (72.4 x 71.1cm)
