## Title Flood of 1955 at Satan's Kingdom

Date 1955

Primary Maker Unknown

Medium Photography; gelatin silver prints on Kodak Velox paper

Description Amateur photographs show the aftermath of a flood in a rocky gorge. Trees, metal girders, and other debris are piled on the rocky slopes and on railroad tracks. Some of the metal tracks are twisted, and some of the wooden ties are missing. In one photograph, a paved road across an iron bridge is blocked by sawhorses. A crane is in the distance.
