

Basic Detail Report

Title Vase

Date 1930-1940s

Primary Maker Luman Pierre Kelsey

Medium Wheel-thrown stoneware with a turquoise and silver glaze

Basic Detail Report

Description Ovoid, light grey stoneware vase with a matte turquoise glaze with small flecks of silver. The vase has a slightly flared rim, narrower neck, swelled sides, and a flat bottom. Many rows of horizontal incised lines circle the top three-quarters of the vase. The matte turquoise glaze covers the interior and exterior of the vase, with a few areas having a metallic, almost silver, appearance.

Dimensions Primary Dimensions (height x diameter): 9 3/4 x 4 1/8in. (24.8 x 10.5 cm)
